

## Solomon Builds and Dedicates the Temple

### 1 Kings 6

1. When did Solomon start building the temple, and what were its dimensions?
2. What did Solomon build against the outside walls?
3. What kind of stones were used, and what was the roof made of?
4. What did the LORD tell Solomon he would do, and under what condition?
5. What were the inside walls made of, and how are some ways he decorated the interior?
6. How long did it take to build the temple?

### 1 Kings 8:1-11

7. When was the ark brought to the temple, and how long was that after the temple was finished?
8. How many animals did the people sacrifice?
9. What was in the ark at that time (compare Hebrews 9:4)?
10. What happened when the priests left the Holy Place, and when had that happened before (Ex 40:33-35)?

### 1 Kings 8:54-66

11. What did Solomon say the LORD had done for them?
12. How many animals were sacrificed, and what was done to the courtyard in front of the temple?
13. How long did the celebration last?
