## **Prayer List**

### **Updated**

- Mike Moore had the final treatment in the clinical trial for graft-versus-host disease Friday. He and Kathy came home afterward but had to return to Kansas City because his port had moved. That will require antibiotics for a few days, which has to be done in Kansas City because of insurance.
- Steve Esterline had an ultrasound that showed a partial blockage in his leg. He has an angioplasty scheduled in May.
- Randy Wilson's surgery went well. He and Cindy plan to come home today or tomorrow.
- Wednesday, we mentioned and emailed that JD Bryson's aunt, Eula Mae Shelley, was on hospice care in Sacramento CA. She passed away Thursday.

### **Ongoing**

- Leann Esterline (ongoing problems due to a hernia)
  - Venecia and Severin Poirot (multiple issues)
  - Oneta Sitton (wife of Cindy Wilson's nephew with breast cancer)
  - Rhonda Bryson (JD's sister with heart problems)
  - Jim Leirer (Pat Wilcox's nephew with cancer)
